RESPONSE TO NOTICE OF NON-COMPLIANT AMENDMENT

Mail Stop Amendment
Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450

Applicants hereby respond to the Notice of Non-Complaint Amendment, mailed on 13 July 2005 in the above referenced case.

The Examiner asserts that Applicants left out of their amendment a drawings' replacement sheet, as required by rules; *to the contrary*, Applicants' prior response did indeed include such a replacement sheet. As proof of this point, Applicants herewith include an exact duplicate of their prior response (the replacement page is the second to last sheet of this attachment). Because (1) the Notice of Non-Compliant Amendment represents Examiner error, (2) their prior response was indeed compliant, and (3) in any event, the enclosed document is indeed a complete response to the notice and contains the missing page, Applicants submit that this case is in condition for examination and that Applicants' response should be accepted as proper.

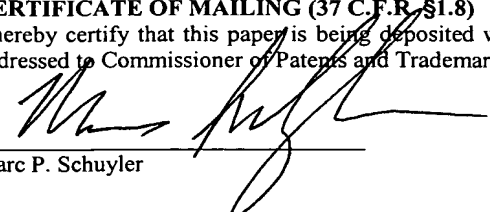

Respectfully submitted,

Marc P. Schuyler
